Over the last two decades, melodic-synth-metal-force **DELAIN** has established itself as an enduring force in modern melodic metal, known for its powerful songwriting, a distinctive musical identity, and a dynamic sound. Since the release of their debut album, *Lucidity*, twenty years ago, **DELAIN** has built a dedicated international following with albums such as *April Rain*, *We Are the Others*, *The Human Contradiction*, and more recent releases, including *Dark Waters* in 2023, which debuted at #9 on both the Official German Album Charts and the US Hard Music Albums chart, marking it the band's most successful record to date.

Celebrating 20 years since the release of *Lucidity*, **DELAIN** is entering a new creative phase and officially kicking this off with the announcement of ten extraordinary live shows in February 2027. For this special tour, **DELAIN** will present a special format featuring a unique selection of high-profile guest musicians and vocalists, offering a memorable and varied live experience.

Among these special guests is Marko Hietala, whose long-standing connection with band mastermind Martijn Westerholt has resulted in some of **DELAIN**'s most iconic collaborations. His appearance on this tour marks a powerful reunion and a highlight for fans. Additional guest performers will be announced at a later stage.

With this exceptional run of shows, **DELAIN** invites audiences to experience its music in a new and exciting way - celebrating both its legacy and its future.
