## Warp Speed Warriors – Final Round 2025

### Power Metal Warriors DRAGONFORCE Announce Summer 2025 European Tour Dates!

Grammy-nominated power metal warriors DRAGONFORCE announce summer 2025 European tour dates, including shows with POWERWOLF, AMARANTHE, and EPICA. These are the final European shows of their Warp Speed Warriors World Tour.

“We are beyond thrilled to bring even more headline dates to our Warp Speed Warriors World Tour—these will be the final shows in Europe! Expect an electrifying spectacle of speed, power, shredding, and epic melodies. Don’t miss your last chance to witness the madness!” – Herman Li

The legendary band of guitar virtuosos and founding members Herman Li and Sam Totman, singer Marc Hudson, bassist Alicia Vigil and drummer Gee Anzalone released Warp Speed Warriors last year and have been touring the globe since, including festival dates like Wacken, and Knotfest Brazil. Last year, the band also released their latest single “A Draco Tale” in collaboration with the hit mobile game Brawl Stars, and debuted the song live at SuperFest world championship in Helsinki. The worldwide livestream peaked at 1 million viewers. Watch the official music video [HERE](#).

Formed in 1999, DRAGONFORCE has captivated audiences worldwide with their highly successful records and iconic singles, including the platinum-selling hit "Through the Fire and Flames" - the ultimate challenge for gamers on the legendary “Guitar Hero III: Legends Of Rock”. Renowned for their epic compositions that expand the boundaries of heavy metal, on their latest full-length, DRAGONFORCE explore a wider range of varying musical styles than ever before, evolving their sound throughout the exciting musical journey.
