HYPOCRISY ANNOUNCE THE "MASS HALLUCINATION" EUROPEAN TOUR 2026

Swedish death metal titans HYPOCRISY are thrilled to announce the Mass Hallucination Tour 2026, set to bring their signature blend of melodic brutality across Europe.

Joining the madness are none other than Abbath, bringing his unmistakable blackened energy as a very special guest, alongside death metal veterans Vomitory and the Norwegian powerhouse Vreid.

Speaking about the upcoming tour, Peter Tägtgren comments:

"We can't wait to hit the road again and bring chaos all over Europe! It's been way too long, and sharing the stage with Abbath, Vomitory and Vreid makes this tour even more special. Get ready for a full-on metal assault – it's going to be loud, it's going to be intense, and it's going to be pure Hypocrisy!"

Fans can expect an unrelenting night of extreme metal mastery – a celebration of raw energy, dark atmosphere, and decades of uncompromising sound.
